

# HMPD QUANTUM ARCHITECTURAL AUDIT

TXN ID: HMPD-RUN-2551 | SESSION: GH-AGENT-0

To provide a comprehensive quote for a fully furnished modular building site office in Cape Town, I'll break down the requirements into individual components. Please note that prices may vary depending on the supplier, brand, and quality of the materials.

## **\*\*Modular Building:\*\***

A 12m x 6m modular building is approximately 72m<sup>2</sup>. The cost of the modular building itself can range from R 250,000 to R 500,000, depending on the manufacturer, materials, and features.

## **\*\*Lighting:\*\***

For a 72m<sup>2</sup> office, you'll need:

- \* Internal lighting: 6-8 LED ceiling lights (depending on the layout and desired lux level)

- + Cost: R 8,000 - R 12,000 (approximately R 1,100 - R 1,500 per light)

- \* External lighting: 2-3 LED floodlights for the exterior

- + Cost: R 4,000 - R 6,000 (approximately R 2,000 - R 3,000 per light)

## **\*\*Vinyl Flooring:\*\***

For a 72m<sup>2</sup> office, you'll need:

- \* Vinyl flooring: approximately 72m<sup>2</sup>

- + Cost: R 45 - R 90 per m<sup>2</sup> (depending on the quality and brand)

- + Total cost: R 3,240 - R 6,480

## **\*\*DB Board (Distribution Board):\*\***

A DB board is a critical component for distributing power throughout the office. The cost of a DB board can range from R 5,000 to R 15,000, depending on the size, type, and features.

## **\*\*Air-Conditioning:\*\***

For a 72m<sup>2</sup> office, you'll need:

- \* 1-2 air-conditioning units (depending on the desired temperature and insulation)

- + Cost: R 15,000 - R 30,000 per unit (approximately R 20,000 - R 40,000 total)

## **\*\*Staircase and External Features:\*\***

For a modular building, you'll need:

- \* A staircase (approximately R 15,000 - R 30,000)

- \* External cladding and finishing (approximately R 10,000 - R 20,000)

## **\*\*Total Cost:\*\***

Based on these estimates, the total cost for a fully furnished modular building site office in Cape Town could be:

R 332,240 - R 663,480

This includes:

- \* Modular building: R 250,000 - R 500,000
- \* Lighting: R 12,000 - R 18,000
- \* Vinyl flooring: R 3,240 - R 6,480
- \* DB board: R 5,000 - R 15,000
- \* Air-conditioning: R 20,000 - R 40,000
- \* Staircase and external features: R 25,000 - R 50,000

Please note that these estimates are approximate and can vary depending on the supplier, brand, and quality of the materials. It's essential to consult with suppliers and contractors to get a more accurate quote for your specific project.

**\*\*Recommended Suppliers:\*\***

- \* Modular buildings: Companies like Modular Buildings SA, Prefab Buildings, or Container Conversions
- \* Lighting: Suppliers like LED Lighting SA, Lighting Warehouse, or Electrical Wholesalers
- \* Vinyl flooring: Companies like Belgotex, Polyflor, or FloorworX
- \* DB boards: Suppliers like DB Board Manufacturers, Electrical Wholesalers, or Schneider Electric
- \* Air-conditioning: Companies like Air Conditioning SA, Daikin, or LG
- \* Staircase and external features: Contractors like Staircase Manufacturers, Modular Building Contractors, or Construction Companies

**\*\*Timeline:\*\***

The timeline for completing a project like this can vary depending on the complexity, supplier lead times, and construction schedules. However, a rough estimate for a project of this scope could be:

- \* 4-6 weeks for design and planning
- \* 8-12 weeks for manufacturing and delivery of the modular building
- \* 4-6 weeks for installation and construction
- \* 2-4 weeks for final touches and completion

Total project timeline: approximately 20-30 weeks (5-7 months)
